## **VAL-MATIC CHECK VALVES**

Val-Matic has your check valve needs covered, from potable water to abrasive slurries and corrosive chemicals with a wide range of metallurgies, seating materials and accessories. The importance of slamming characteristics, headloss and maintenance needs have been taken into consideration when designing Val-Matic's check valves which are highly engineered to provide long life and trouble-free performance. All Val-Matic Check Valves are certified NSF/ANSI 61 for drinking water and NSF/ANSI 372 Lead-Free. Visit [www.valmatic.com](http://www.valmatic.com) for several technical papers, videos and articles on the benefits of Val-Matic's Check Valves.
