VAL-MATIC IN THE OIL & GAS INDUSTRY

Val-Matic's Quarter-Turn Valves and Check Valves are designed to meet many of the demands found in the Oil & Gas industry. QuadroSphere® Trunnion Ball Valves have a contoured ball with 5 flow paths and a self-flushing cavity to prevent build up making it an ideal valve where buildup can become damaging. Val-Matic's Ener•G® Ball Valves and American-BFV® Butterfly Valves are built using advanced manufacturing technologies and certified to rigorous industry standards to assure reliable performance. The Cam-Centric® Plug Valve allows cost effective, low torque actuation for pump control, shut-off and throttling service. Val-Matic Swing-Flex®, Surgebuster® and Swing Check Valves are available with a range of metallurgies, seating materials and accessories for your specific application. For additional information on Val-Matic Products visit us at www.valmatic.com.

About Val-Matic

Val-Matic Valve and Manufacturing Corporation's headquarters is located in Elmhurst IL with additional manufacturing facilities in Addison, IL. Val-Matic is a leading manufacturer of Air Valves, Check Valves, and Quarter Turn Shut-Off Valves for water/wastewater, power, industrial, fire protection and HVAC applications.
