VAL-MATIC AIR VALVES

Val-Matic manufactures the most comprehensive Air Valve product line offered today. From the smallest simple lever air release valve to the largest surge-suppression combination air valve, all are provided standard with Type 316 stainless steel trim and floats ranging in sizes from ½” – 42”. Val-Matic has a complete line of air valves certified to NSF/ANSI 61 for potable water use and NSF/ANSI 372 for lead-free products, material, and components with a few Air Valves also UL Approved for use in Fire Protection. Val-Matic® Air Valves are produced in strict compliance with the AWWA C512 Standard and are manufactured under a certified ISO 9001 quality system. For additional information on Val-Matic Air Valves visit www.valmatic.com.
